JACQUILYN LIGON

📞 09619811225 | ✉ jacquilynligon32@gmail.com | 📍 121 D2 14th Ave Cubao Quezon City

OBJECTIVES

Seeking a Software Tester position where I can apply my skills in creating and executing test scripts, identifying and documenting system errors, and providing valuable recommendations to enhance program quality and performance. I aim to contribute to the team by ensuring accuracy, and continuous improvement in the testing process.

TECHNICAL SKILLS

- **Web Development:** HTML/CSS, JavaScript, WordPress
- **Programming & Databases:** Java, SQL
- **Software Testing:** QA Testing (Manual/Automation)
- **Networking & Cloud:** Basic knowledge in network setup and cloud systems
- **Design & Animation:** Blender, Synfig Animation
- **Productivity Tools:** Microsoft Office Applications

SOFT SKILLS

- **Teamwork and Collaboration**
- **Critical Thinking and Problem Solving**
- **Adaptability and Time Management**
- **Self Regulation and Attention to Detail**

ON-THE-JOB TRAINING EXPERIENCE

IT Intern (QA Tester & Front-End Web Developer)
Mr. Geek Philippines Inc. | February 2025 – May 2025

- Conducted website and mobile app testing, identifying bugs and inconsistencies.
- Reported system issues and collaborated with developers for fixes.
- Managed and updated website content using WordPress.
- Developed front-end layouts and components using HTML, CSS, JavaScript in VS Code.
- Gained hands-on experience with QA processes, testing workflows, and development cycles.
